There is a difference...

At **Amazing Camp War Eagle,** **there really is a difference.** The **War Eagle** difference is not limited to any one particular area of camp, but permeates everything we are and everything we do.

The **War Eagle** difference is first found in our amazing setting.

Nestled on over 300 acres and surrounded on 3 sides by beautiful Beaver Lake, the **War Eagle** setting is unmatched in its beauty and utility.

The **War Eagle** difference is also found in our amazing program.

Ask any child, and they are sure to tell you that, above all, they go to camp to have fun! It's just that simple. Featuring over 70 different activities in a variety of areas, the **Amazing Camp War Eagle** program is designed so that kids will have an absolute, total blast! After all, to the child, that is what summer camp is all about; however, a big part of what makes **Amazing Camp War Eagle** different lies beyond the fun of camp. That is why...

The **War Eagle** difference is also found in our genuine, amazing spirit.

War Eagle is a place where men and women believe in young people - all young people - and accept them as they are for who they are. It's a place where kids are able to learn how to live with others...caring, sharing and laughing together. **War Eagle** is a place where a child can get to know himself without fear of rejection and develop self-confidence by being on his own. It's a place where honesty, effort and enthusiasm are more important than winning or losing. It's a place where kids will learn a love of country. And, most importantly, **War Eagle** is a place where each child can become close to God and his son, Jesus Christ.

Last, but certainly not least, **the War Eagle difference is found in our amazing staff.** The 250 members of the **Amazing Camp War Eagle** staff come from 20 colleges and universities and are representative of the very finest college-aged young people anywhere. The **Amazing Camp War Eagle** staff members are not perfect, but they are positive, upbeat and wholesome, Christian role models who understand that each and every child who comes to **War Eagle** represents an opportunity: an opportunity to love, to mentor, to befriend, but mainly to influence in a positive, wholesome way. There may be other summer opportunities available to deserving kids in Northwest Arkansas and the surrounding area, but there is only one **Camp War Eagle.**

War Eagle Inspiration

First Is Third (F.I.T.)

...This is the theme of **Camp War Eagle's** spiritual emphasis. Our belief is that, in order to "win" in our lives, we must place God first, others second and ourselves third. By placing ourselves third, we actually come in first in the "Game of Life"...

...**Camp War Eagle** is a Christian camp, founded on Christian principles, where we endeavor to provide a wholesome, upbeat, Christian atmosphere for all of our campers.

Actions speak louder than words. Counselors and staff lead by personal examples of quality lives. Love for God through Christ, love for each other, respect, friendliness and cheerfulness...these are all the qualities of Christian living we hope to convey to each camper as we live, play and work with one another...

...After supper and before closing out each amazing **War Eagle** day with one of our funtastic Special Events, the entire camp gathers for Lifeline and Ozone; times of singing, sharing and simply reflecting on God's message of hope and love for us all.
