CLERK AND RECORDER  
BENTON COUNTY, AR.

**ORDER**

Pursuant to Rule 4(c), Arkansas Rules of Civil Procedure, and Administrative Order No. 20, the Circuit Courts are authorized to appoint persons to serve legal process. The Court finds that there is a need for the establishment of a procedure for approval of persons who will be authorized pursuant to Rule 4(c) and Administrative Order No. 20 to serve process, as well as a need for a registry of persons so authorized in Benton County.

To effectuate the procedure desired by the courts and to provide for an accurate, current registry, the Court orders as follows:

1. All authorizations effective on January 2, 2015, shall continue to be effective until the expiration of the Process Server's current order.
2. Any person desiring appointment to serve legal process under Rule 4(c) and Administrative Order No. 20 shall file a petition captioned in the Circuit Court of Benton County, Arkansas, just as this order is captioned, save and except it shall state "In the Matter to Serve Legal Process and Appointment of \_\_\_\_\_ (place for the name of the applicant, address, telephone number, and e-mail)." The application shall request permission to serve process under Rule 4(c) and Administrative Order No. 20 and shall be substantially in the same form as the Application for Appointment of Authority attached hereto (Exhibit "A"). A Process Server must meet the following minimum qualifications:

(a) Be at least eighteen years of age or older and a citizen of the United States.

(b) Have a high school diploma or equivalent.

(c) Have never been convicted of a crime punishable by imprisonment for more than one year or a crime involving dishonesty or false statement, regardless of the punishment.

(d) Hold a valid driver's license.

(e) Obtain a \$10,000.00 Cash/Corporate Surety Bond as to the performance of the duties of a Process Server for the benefit of the Benton County Circuit Court. The application will not be approved if the bond does not reflect an expiration date on its face.

(f) Pay a filing fee of \$165.00 for filing an original application and a \$50.00 filing fee for filing a renewal application pursuant to Act 328 of 2009.

3. Applicant shall attach to the application an affidavit of the applicant substantially in the form that is attached to this Order (Exhibit "B") acknowledging knowledge of and familiarity with Rule 4(c) and Administrative Order No. 20 of the Arkansas Rules of Civil Procedure. Also attached to the application shall be an affidavit from an attorney of record practicing before the courts in Benton County, said affidavit being substantially in the form that is attached to this Order (Exhibit "C") stating that the attorney has, in fact, informed the applicant of the laws concerning service of process in the State of Arkansas, including Rule 4(c) and Administrative Order No. 20.

4. The Application, when filed, will be filed in the office of the Benton County Circuit Clerk and shall be assigned a number with a "BPS" designation so that the first application filed in 2015 will be "BPS 2015-1" and the next one filed will be "BPS 2015-2," et cetera. These applications shall be kept in a separate file in the Circuit Clerk's Office, and when an order is

entered (Exhibit "E") in connection with said application granting permission to serve, then the applicant's name will be entered onto a registry maintained by the Circuit Clerk. The process server will sign his/her return of service with his/her name and immediately after his/her process server number on each return of service.

5. After the initial approval is granted by the Administrative Judge of the Circuit Court of Benton County, each process server shall contact the Circuit Clerk's Office to make arrangements and pay any necessary cost to obtain a picture identification card from Benton County. Each Process Server is required to carry this identification card along with their Certified Order of Approval and a valid driver's license when serving process. He/she shall, upon request or inquiry, present this identification at the time the service is made.

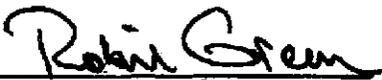

6. Approval of original applications will expire one year after approval. The Applicant shall then, prior to the expiration date, file an Application for Renewal and an affidavit stating that he/she is familiar with all changes in the law concerning service of process and especially Rule 4(c) and that he/she is still active in the business of serving process along with a current bond. If the application, affidavit, and current bond are not filed prior to the expiration date, then the approval granted by the original order shall be deemed terminated, and the applicant's name shall be stricken from the registry of approved process servers. If same applicant wishes to be reinstated, he/she must file a new Application, Affidavits, and Bond with the court. Approval of renewal applications (Exhibit "E") will be for a period of one year pursuant to Administrative Order No. 20(e) of the Administrative Orders of the Arkansas Supreme Court.

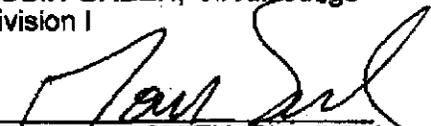

7. The Circuit Clerk shall maintain a separate registry of all persons for whom a petition has been filed and an order signed by the Administrative Judge of the Court granting approval to serve process. The Circuit Clerk shall also maintain a separate file containing the applications and orders for process servers, and said file and registry shall be available for

inspection by the public in the Circuit Clerk's Office.

8. Any Circuit Judge may revoke an appointment to serve process for any of the following reasons: (1) making a false return of service; (2) willful and purposeful improper service; (3) failing to meet the minimum qualifications for serving process; (4) misrepresentation of authority, position or duty or other good cause.
