Re: Whitewater and Habitat Improvements Project, Siloam Springs, AR- Submittal Documents

Dear Mrs. Singh,

Recreation Engineering and Planning (REP), as a consultant for the City of Siloam Springs (City) and the Walton Family Foundation (WFF), plans to submit the following documents and reports. This list is being provided to ensure the submittal is complete. Please contact me if you notice any missing documents. We understand you cannot confirm the documents contain the appropriate or complete information.

The submittal will include:

1. A cover letter explaining the project and any variances requested.
2. Attachment B: Variance/Waiver Request Form
3. Agreement between the Walton Family Foundation and the City of Siloam Springs.
4. Service letter from the City of Siloam Springs.
5. Drawings associated with the US Army Corps of Engineers 404 permit and a copy of the 404 permit (included with the cover letter).
6. Instream Use Narrative.
7. Benton County Permit Revision Drawings.
8. Site plan review application (Form P5).
9. Site plan submittal checklist provided by Rinkey Singh.
10. Abutter notifications.
11. Stormwater management plan.
12. Floodplain Development Permit Application for Benton County.
13. Engineer certification and review (see below)
14. Permit to Construct a Driveway or Road Connection Along a County Road, Benton County, AR.
15. Summary of all existing permits (already provided).
16. Copies of NPDES General Permit No. AR150000 and associated Stormwater Pollution Prevention Plan.
17. A certified copy of the site survey (supplied by Robert Caster, PS).
18. A copy of the City of Siloam Springs Lighting Plan.

Please notify me if you have questions or concerns.

Thanks,

Shane Sigle, P.E., Recreation Engineering and Planning
