

BENTON COUNTY QUORUM COURT

JUDGES REPORT

January 21, 2014

- The Courthouse Feasibility study document is final and will be released tonight along with a joint statement of the County Judge and Downtown Bentonville, Inc.
- The construction is ongoing at the Benton County Rogers Office building renovation. The schedule is to be open by March 3.
- The FEMA flood damage inspection team is continuing to process work orders for the road and bridge damage from the August flood. They expect to be complete with the assessment this month.
- The EMS election will be February 11, 2014. We sent a letter today to all of the registered voters in the district with facts about the election.
- The interview process is nearing completion for the IT Director position.
- The County Property Disposal Report is on the dashboard.
- Fisher Ford Bridge construction will begin next month. Colonel Meyers Bridge is under construction.
- Windmill Road construction has begun as a joint venture with Bentonville, Bentonville and Benton County.
