

Benton County Regional Solid Waste Management District
and Benton County Environmental Services Division

Presentation to County
Quorum Court 4/7/2016:
County Convenience Center
Satellite Pilot Program

Convenience Center Pilot Program

A partnership between the Benton County Solid Waste District (BCSWD) and the County for the safe disposal of a large variety of materials free of charge. Our goals are to better utilize taxpayer funds and serve the needs of the county citizens.

BCSWD provides labor, supplies and processing of all material and management of the program. County provides funding costs associated with the disposal of bulky waste, labor costs for the satellite sites, and support of work program labor.
