[Refresh Bid & Time](#)

You are bidding on a 1985 GMC / Deep South Tender. This unit has served Benton County for the last 22 years. The truck is a 1985 GMC Brigadier chassis with a Detroit Diesel 6 cylinder motor. It is mated to an automatic transmission that shifts well through all gears. This truck was driven under its own power to its current location. It was in service until that day. The Odometer shows 118942 and the hour meter shows 4037. The tank is a 2500 gallon steel tank with three manual dump valves on the back. The pump is a PTO driven Hale 500 GPM pump. It has 2.5" discharges on the driver and passenger sides of the pump panel. It has a 4" and 2.5" intake on the back. The tires are in good condition and they all hold air. The truck is in good condition for being an old tender. It has minimal rust overall as can be seen in the pictures. This truck is sold as is with no warranties. If you are the winning bidder you are responsible for taking possession of the vehicle from its current location. It can be viewed with an appointment during normal business hours at the Benton County Road Department. 1206 SW 14th Street Bentonville AR 72712. The truck cannot be removed until payment in full has been made. We are selling it with a very modest reserve. Feel free to ask any questions that you have. You can contact Gary Yarno at 479-271-1004 or Marc Trollinger at 479-271-1004 to schedule an appointment or with any questions. This Apparatus: Tanker Starts, Runs & Drives Transmission: Automatic Maintenance Records: Not Available for Inspection Pump Certification: No Certification-Expired

You are bidding on a 1978 Ford / Fire Master Pumper. This unit was an original Benton County unit and has been out of service for some years. This would make a great vintage fire equipment project since it still starts, runs, drives and pumps. The truck is a 1978 Ford F800 chassis with a Fire Master Body, powered by a Ford 389 ci V-8 gas motor. A Clark D6HT Manual 5-speed transmission sends power to the rear axle. This truck was driven under its own power to its current location. The Odometer shows 973 miles which has likely rolled over past the 100k mile mark. The water tank is a 750-gallon steel tank. The front bumper mount 750 GPM Hale pump has 4 discharges and 2 intakes. The tires are in good condition and they all hold air. It has minimal rust overall as can be seen in the pictures.
