Grant Committee: Duties - reviews annual recycling grant pre-applications for distribution of state funding.

Personal and Finance Committee: Duties - reviews all financial and personnel issues.

VOTING: A majority of the membership of the board in person or represented by proxy shall constitute a quorum. A majority vote of those members present shall be required for any action of the board.

PURPOSE:

- (1) To collect data, study, and initially evaluate the solid waste management needs of all localities within their districts, to publish their findings as a regional needs assessment
- (2) To evaluate on a continuous basis the solid waste needs of their districts and thereby update the regional needs assessments at least biennially
- (3) To formulate recommendations to all local governments within their districts on solid waste management issues and to formulate plans for providing adequate solid waste management
- (4) To issue or deny certificates of need to any applicant for a solid waste disposal facility permit within their districts with the exception of permits for landfills when a private industry bears the expense of operating and maintaining the landfill solely for the disposal of waste generated by the industry or waste of a similar kind of character
- (5) To petition the Director of the AR Department of Environmental Quality to issue, continue to effect, revoke, modify, or deny any permit for any element of a solid waste management system located within a district based on compliance or noncompliance with the solid waste management plan of the district
- (6) To adopt rules under the AR Administrative Procedure Act, as are reasonably necessary to assure public notice and participation in any findings or ruling of the boards and to administer the duties of the boards.
- (7) To establish programs to encourage recycling
- (8) To adopt official seals and alter them at pleasure
- (9) To maintain offices at such places as they may determine
- (10) To sue and be sued in their own names and to plead and beimpleaded
- (11) To make and execute contracts and other instruments necessary or convenient in the exercise of the powers and functions of a district, including, but not limited to, entering into contracts and agreements with private entities for provision of services
- (12) To carry out all other powers and duties conferred by this subchapter
- (13) To enter into agreements with another solid waste management district to allow a district or any person within that district to transfer solid waste into another district.
