

Basic Query:

1. Go to the menu and choose the tool “**Query**”.
2. This will open up the query tool in the map.
3. Select a search layer such as: “**Addresses**”.
4. Next, choose a field value such as: “**FULL_ADDR**”.
5. In the **Where** clause, enter this value: FULL_ADDR = ‘215 E Central Ave’.
6. Click “**Select**”
7. The query results should display all records where Full Address is equal to 215 E Central Ave.

The screenshot displays a GIS interface with a map of Benton County. A query tool is open on the right side of the map, showing the following configuration:

- Layer: Address
- Field: FULL_ADDR
- Operator: =
- Where: FULL_ADDR = '215 E Central Ave'

Buttons for 'Select' and 'Clear Graphics' are visible at the bottom of the query tool. Below the map, a results table is displayed with the following data:

| ID | Full Address | Address # | Direction | Road | Type | Suffix | Unit | City | Zip |
|----|-------------------|-----------|-----------|---------|------|--------|------|-------------|-------|
| 1 | 215 E CENTRAL AVE | 215 | E | CENTRAL | AVE | | | BENTONVILLE | 72712 |
